Hi Alice – I haven't been at my desk since lunchtime on Monday. I'll be in the office tomorrow so if something has shown up I'll let you know.

I have been called several times by Jeff Grubbs asking for the documents.

Subject: FOIA on Passaic NRRB

Region 2 has received a FOIA request from the CPG (PRP group doing the Passaic 17-mile RI/FS) for NRRB comments and peer review comments.

We wondered if you had received a similar request?

If you have, we would appreciate coordinating responses with you. I assume that most of the materials will be withheld as pre-decisional, but that is obviously a call the attorneys will make.
